

LOIS MACAULAY DESIGN SHOWROOM

THE PILLOW COLLECTION

After your architecture and design concept is in place, our pillows provide an element of softness and tactile colour. They have been designed to work with every style of interior. The hypo-allergenically treated feather/ down fill makes them ultra soft. The front to back reversibility makes them playfully flexible. All our products are carefully made in-house using the world's finest quality fabrics.

Louis XV

The Louis XV pillow introduces a touch of authentic royal court design into contemporary interiors. The pure silk lampas weave remains unsurpassed in quality and complex beauty since it was introduced in 1750. Available in Pompeii Red or Pastoral Green, both reversing to green shantung, these pillows have fantastic appeal. 20" by 14" oblong

Labyrinth

The Labyrinth Pillow, available in 3 colourways, draws an ancient pattern in strong modern lines. Green, black and brown velvet on an off-white ground reverse to fine velveteen in Oyster White. Our best seller. 20" square" and 16" x 20" oblong

Ormolu

This glamorous pillow is made from silk shantung that has been interwoven with metal thread. We added a never-before treatment - a buttoning with French furniture 'ormolu' - gilded brass furniture decorations. Available in shimmering Silver, Bronze and Pearl (woven with silver warp threads and gold weft threads). 21"square and 20 x 14 oblong.

Green Roses

Tightly-bunched, sculpted velvet roses in First Spring Green reverses to Robin's Egg satin. The B-side rivals the roses for softness and luxury with its full-bodied silk and cotton satin. Available in 2 huggable sizes: 18 x 22" and 14 x 22"

Velvet Coral

Is it soft or modern? Is it from the garden or from Neptune's sea? This versatile Water Green velvet pillow works beautifully on very contemporary upholstery, brings freshness to antiques, blends well into pillow groupings. It is piped in silk satin and reverses to green shantung. 18 x 22" and 14 x 22"
